

**Breastfeeding Support Services - RFP 20/21-05
Questions and Answers – October 22, 2020**

Question	Answer
1. I have an agency that will provide a Letter of Commitment for our RFP submission, and they are asking if their letter can be signed electronically.	1. Yes, due to COVID, we are allowing Letters of Commitment to be signed electronically.

Reminders:

- The Letter of Intent was due by **5:00 p.m. on October 16, 2020**. If a representative of your agency did not attend the Mandatory Conference and did not submit a Letter of Intent, then your agency is not eligible to apply for the funding as the lead agency. We do encourage partnerships where feasible and if agencies desire to do so. Agencies that missed the conference and letter of intent, as well as agencies that met those requirements, may want to contact each other to discuss potential partnerships.
- The agencies that successfully submitted a Letter of Intent by the Deadline include:
 - Sacramento County WIC Program
 - Refugees Enrichment and Development Association (REDA)
 - Chicks in Crisis
- The proposal in response to the RFP is due no later than **5:00 p.m. on November 10, 2020**. Proposals may be submitted electronically, via mail, or hand delivery. We encourage you to plan ahead and allocate ample time for all methods of delivery. Hand deliveries will be accepted between 2:00 p.m. – 5:00 p.m. on November 10, 2020. Please wear a mask and practice social distancing measures if you select this method of delivery.
