

Prenatal and Postpartum Support Services - RFP 20/21-02
Questions and Answers – October 28, 2020

Question	Answer
<p>1. Our organization does not have a completed audit from the past several years. The RFP states that, "If an audited financial statement is not available, please submit a Federal Income Tax Return (Form 990)." Are there any specific details of which we should be aware for that Form 990 to meet this requirement (e.g. full Form 990 vs. 990-EZ; multiple years needing to be submitted)? If necessary, we are also prepared to submit additional financial documents that might support us to meet this requirement "in lieu of the certified audit."</p>	<p>1. You may submit your organization's most recent tax filing, whether that is 990 full form or 990 EZ. We leave it to your discretion if you wish to submit additional un-audited financials along with the tax filing.</p>
