

Referring Families for WIC Services – Nutrition and Breastfeeding Support

WIC is a national nutrition program that provides **healthy food, nutrition education, breastfeeding support, and family resources** to **pregnant and breastfeeding** individuals, **infants** and **children** up to age 5 years. See the table below for details on the different WIC agencies in Sacramento and Placer Counties. Each agency provides similar WIC services. We encourage families to choose the WIC office that is closest to them.

Use this resource to easily connect your patients with WIC!
